### Career

Look for a career where you can use your abilities to carry out projects in minute detail. These projects must be perfect, and you will not be under pressure to limit the time it takes to complete them. For instance, if you go into interior design, you should have clients who have enough money to spend so that you can do an elegant job.

### Occupation

There are many forms of work that you could take up with entire success. All those occupations that depend, primarily, on passing examinations are within your range, since you are quick to learn and the grind necessary for their success is not a matter that irritates you. Your capacity for detail is valuable in a thousand widely different jobs. You would make an excellent journalist, not a bad detective. As a teacher you would be probably very good whilst your facility for remembering faces would be a valuable asset as a shopkeeper. What panders more to a customer's vanity than to be able to tell him everything that he discussed on his last visit ? You have a wonderful gift for doing this. As has been said, you are not exceptionally good in posts where leadership is required. But you would do well in almost any capacity where decisions have to be made. You are not fitted for the work of a commercial traveller and, generally speaking, the sea does not attract you.

### Health

Your health need not cause you any worry, but it must not be neglected. Your chief danger lies in submitting yourself to excesses of heat and cold, particularly the former. Either are bad for you. Beware of sunstroke especially if you have to travel in the Cold regions, and avoid anything that might tend to send up your temperature. Apoplexy, in later life, must be guarded against. It is highly important that you get plenty of sleep and do not keep late hours. This is imperative because, in your waking hours, you are excessively energetic and never still - all of which use up your vitality very rapidly. It is only with the aid of ample sleep that the loss can be repaired.

But, such pastimes as walking, rowing, fishing and nature study are more in keeping with your ideals.

### Love Matters

You never forget friends. Consequently, you have a large circle of acquaintances, many of them speaking a foreign tongue. From among this large circle you will choose a partner, if you have not already done so. Usually, the choice will surprise those who know you best. You will marry and be comfortable. But, marriage will not be everything to you, as it is to most people. Other diversions will be there with it and take your interests away from the home. Should your partner endeavour to curb this inclination, it may lead to a possible rupture.

### Finance

In matter of finance, you need have nothing to fear. Great opportunities will come across your path. Out of nothing you could create much, your only danger being that of undermining your resources by going in for large schemes of a speculative nature. ### Hence Mangal Dosha is present in Lagna Chart but not in Moon Chart.

Mangal Dosha is considered to create hurdles in the married life of a person. According to some, Mangal Dosha results in frequent illness or ultimately death of partner(s).

This is 'setting' period of Shani's Sade Sati. Saturn will be transiting in the 2nd house from the natal Moon, which indicates difficulty on financial and domestic front. You will start feeling slight relief after having two difficult phases of Sade Sati. Still, misunderstandings and financial stress can be seen during this period. Expenses may keep soaring high and you need to continue exercising control. Sudden financial losses and fear of theft is also a possibility. You may be pessimistic in thinking, you are advised to deal with matters enthusiastically. You will require paying good attention to family and personal front, otherwise those can also lead to a bigger problem. For students, education may be slightly affected and they will have to work harder to hold on to their existing level. Results will be slow and almost always with the delay. This is a period which indicates danger and apart from other things, you need to be careful while driving. If possible, stay away from non-veg and your drinking habits to keep Saturn happy. You will be able to sail through this period by intelligently handling your domestic and financial matters.

**Note:** Above predictions are of general nature and are based on general belief that Sade Sati is harmful. Truly speaking, we found that it is not always the case and we recommend reading this article on Sade Sati. Any conclusion based on Sade Sati alone is not correct and has good chances of failing. Certain factors like current running dasa and nature of Saturn also need to be analyzed before we can conclude whether Sade Sati period will be malefic or benefic. You are advised not to take above forecasts seriously and in case of any doubt, consult a good astrologer.

### Moon in your 3rd house:

The results of the 3rd house, when the Moon is placed therein, will be influenced by the Mars, Mercury and Moon. Here the Moon proves highly beneficial to ensure a long life and great wealth or riches for the native.

If there are no planets in the 9th and 11th houses, then Mars and Venus will give good results to the native because of the Moon being in the 3rd house.

With the advancement of the native's education and learning, the economic condition of his father will deteriorate, but without affecting his education adversely. If Ketu's placing in the horoscope is auspicious and not harming the Moon in the 3rd, the education of the native will bear good fruits and prove advantageous in every manner.

## || Shadbala and Bhavabala – Strength Calculations ||

Shadbala is a method in Vedic astrology that gives quick insight in the strength of planets and the houses. Sanskrit means 'Six' and hence Shadbala consists of 6 different sources of strength. Shadbala calculation is a laborious process but thanks to computers one can get these strength calculations by just one mouse click. Shadbala method gives a value to each planet and each house. The more points a planet and a house gets in Shadbala the stronger it is.
